Alfatronix ICi Series Intelligent Battery Charger 24-12V - 144W (12A)

Product price:

£162.00 tax included

Product codes:

Reference: 011-ICI24-12144
EAN13: -
UPC: - MPN: ICi24-12 144

Product short description:

While many applications can be supplied using a standard voltage converter or stabiliser sometimes there can be a requirement to charge one DC battery from another in order to provide independent power. The Alfatronix range of DC-DC chargers are based on the very successful PowerVerter range but configured to offer a four stage charging program that will ensure that batteries are charged to a maximum capacity providing long term reliable power.
