Victron Quattro 48/15000/200-100/100 230V VE.Bus

Product price:

£3,394.80 tax included

Product codes:

Reference: 792-QUA483150000
EAN13: 08719076037347
UPC: - MPN: QUA483150000

Product short description:

The Quattro can be connected to two independent AC sources for example shore-side power and a generator or two generators. The Quattro will automatically connect to the active source. The main output has no-break functionality. In the event of a grid failure or shore or generator power being disconnected the Quattro takes over the supply to the connected loads. This happens so fast (less than 20 milliseconds) that computers and other electronic equipment will continue to operate without disruption. The second output is live only when AC is available on one of the inputs of the Quattro. Loads that should not discharge the battery such as air-conditioning or a water heater can be connected to this output.
