Product short description:

Introducing the MS-BB100 a compact black box entertainment solution that incorporates the marine industry supported Fusion-Link protocol and Fusion's proven marine engineering skillset to deliver a boat load of tunes. The MS-BB100 includes an easy touch Bluetooth embedded IPX7 water resistant remote for quick audio adjustments. Supplied with a 2m (6.6ft) connection cable the wired remote is ideally shaped for hassle free installation onto a dash or boat console. Engineered for either a flush or flat mount installation while the MS-BB100 is tucked away out of sight saving precious space at the helm you can choose the finish to suit your vessel.
