Raymarine CP370 Clear Pulse 1KW Sonar Module

Product price:

£795.00 tax included

Product codes:

Reference: 705-E70297
EAN13: 00723193792995
UPC: - MPN: E70297

Product short description:

Up to 1 000 watts of power to track the sea floor down to 1 500m.

High performance dual-frequency (50/200kHz) sonar for coastal and offshore fishing.

Track the bottom in extreme conditions with advanced ClearPulse signal processing.

New and improved bottom tracking algorithms deliver reliable performance in challenging conditions like running at high speeds and transitioning across canyons.

Smarter target intensity controls reveal bait and game fish with exceptional clarity.

Enhanced digital filtering reveals fish targets through the entire water column.

Spend less time looking for fish and more time fishing. CP370 takes the guesswork out of interpreting the sonar display.

IPX6 Waterproof.

Compatible with E-Classic C-Widescreen E-Widescreen aSeries cSeries eSeries gS Series.
