£10.00 tax included

Product codes:

Reference: 735-15951-W
EAN13: 04710681556012
UPC: - MPN: 15951-W

Product short description:

A top-qualtity low diameter backing made from 100% polyester dacron fibres. The low diameter and near zero stretch coupled with the range of sizes and colours make this an ideal backing line for trout salmon or saltwater.
