Product price:

£135.00 tax included

Product codes:

Reference: 735-10250
EAN13: 04710681102509
UPC: - MPN: 10250

Product short description:

The Snowbee Deep Blue Jigging Rods are ultra-lightweight for all day fishing comfort but use high modulus carbon for a fast powerful action to impart maximum movement to the jigs. At 6' 6\" they are the ideal length for jigging long enough to work the jig effectively but short enough to apply pressure to set the hook when the inevitable smash takes occur.
