35-53336T Fuel Filter

Product price:

£8.00 tax included

Product codes:

Reference: 35-53336T
EAN13: 0745061035775
UPC: - MPN: -

Product short description:

35-53336Q Superseeded To 35-53336T

Enhance the performance and longevity of your boat's engine with the 35-53336T Fuel Filter, expertly designed for marine environments. This essential component ensures clean fuel flow, protecting your engine from harmful particles and impurities. Perfect for maintaining optimal engine efficiency on the water.

- Superior filtration for clean and efficient fuel delivery
- Compatible with a variety of marine engines
- Durable construction withstands harsh marine conditions
- Easy installation and replacement
- Reliable performance enhances engine life and fuel economy
- Essential for routine boat engine maintenance
