Product short description:

The 92-8M0121972 SUPERSEEDED

TO **92-8M0215162** Storage Seal is an essential accessory for boat owners looking to safeguard their vessel during periods of inactivity. This high-performance sealant ensures your boat remains protected from harsh marine elements, effectively preventing moisture ingress and corrosion. Designed for easy application, the 92-8M0121972 Storage Seal is suitable for both short-term and long-term storage needs, providing peace of mind whether docked or dry-docked.

- Superior moisture and corrosion protection
- Easy-to-apply formula for hassle-free use
- Suitable for various boat storage types
- Provides reliable performance in harsh marine environments
- Ideal for both short-term and long-term storage solutions
