Product short description:

This easy-to-use handheld GPS is the perfect navigational solution for boats sailboats or small watercraft that do not have a chartplotter. It’s also ideal as an emergency navigation backup for all vessels.

Its high-sensitivity GPS marks and stores 1 000 waypoints and 100 tracks so you can navigate right back to them. Use on land or water — it floats! Features SailAssist including virtual starting line heading line countdown timers and tack assist.
