Maretron Fluid Pressure Monitor

Product price:

£425.00 tax included

Product codes:

Reference: 468-FPM100-01
EAN13: 00873804002903
UPC: - MPN: FPM100-01

Product short description:

Adapts up to six pressure transducers to the NMEA 2000® network.

Each channel independently programmed to match pressure transducer characteristics.

Each channel independently programmed in pressure/vacuum mode or tank level mode.

In Tank Level Mode measures levels of extremely deep or irregularly shaped tanks.
