Maretron NMEA 2000 Mid Bulk Cable - Grey 100M

Product price:

£650.00 tax included

Product codes:

Reference: 468-DG1-100C
EAN13: 00873804003030
UPC: - MPN: DG1-100C

Product short description:

Mid bulk cable is primarily used as drop cable but it can also be used at the trunk line depending on network power requirements. Bulk cable with field-attachable connectors allows for maximum flexibility as cables can be made on the job to exact lengths.
