Maretron WSO200 Ultrasonic Wind & Weather Station

Product price:

£695.00 tax included

Product codes:

Reference: 468-WSO200-01
EAN13: 873804004532
UPC: - MPN: WSO200

Product short description:

Maretron's outdoor weather station measures wind speed and direction air temperature barometric pressure and relative humidity. The wind measurement is performed using ultrasonic sensors which means there are no moving parts to wear out or to get caught in the rigging.
