£124.16 tax included

Product codes:

Reference: 523-CLIP-CPSRPT
EAN13: 00609722886727
UPC: - MPN: CLIP-CPSRPT

Product short description:

The Clipper Compass Repeater has all the features of the master unit and an independent off course alarm.

Steer to course function - When the steering function is selected a series of chevrons accumulate showing the magnitude and direction of the steering error. To stay on course simply turn the wheel in the direction of the chevrons until they are extinguished. The steering sensitivity can be pre-set by the user. An off course alarm provides a safety feature when not at the helm. If the heading deviates by more than a pre-set amount then the alarm will sound.

In The Box

Display; 5 m cable; 'O' ring; Weather cover.
