NASA Cruiser Wireless Wind System

Product price:

£386.50 tax included

Product codes:

Reference: 523-CRU-WWIND
EAN13: 00797776914579
UPC: - MPN: CRU-WW WIND SYS

Product short description:

Cruiser Wind.

Large High resolution 360 degree display of apparent Wind direction.

User selectable pointer style.

User selectable Windspeed in knots M.P.H or K/M/H.

Low current consumption – 35mA @ 12V + 20mA for backlight.

Dimensions – 132mm x 98mm x 29mm.

Supply voltage Nominal 12v DC.

Supply current 17mA.

Wind speed and direction NMEA data sentence MWV to any compatible NMEA device.

Supply voltage 9.0 to 15.0 volts – supplied with in line fused power cable (1 Amp).
