Nasa Target 2 Wind Display (Mk2 3 Wire Version)

Product price:

£90.08 tax included

Product codes:

Reference: 523-TAR-WINDNMEADS
EAN13: TAR-WINDNMEADS
UPC: - MPN: TAR-WINDDS

Product short description:

Designed for long term maintenance-free performance the Target Wind Speed and Direction instrument is robust in manufacture and simple in operation. Initial set-up aligns the boats head with the wind indicator so the masthead unit can be mounted in any convenient location and is not bound to fore-aft mounting.

Display only: Masthead unit not included.
