Veratron LinkUP Intelligent Battery Sensor 12V Kit with B00043901

Product price:

£232.00 tax included

Product codes:

Reference: 797-B00042501
EAN13: 07640178729520
UPC: - MPN: B00042501

Product short description:

Veratron's Intelligent Battery Sensor (IBS) it’s simple to monitor their status and health in real-time. The system works with any OceanLink AcquaLink or NMEA 2000-networked display and is compatible with the latest glass cockpit systems.

The system includes a Veratron LinkUp Gateway Module that enables the Intelligent Battery Sensor to be connected to the NMEA 2000 network.
