Product short description:

Majestic has a versatile range of swing arm brackets all specifically designed to handle the Harsh Marine and Tough Outback environment. Engineered in Australia under the some of the toughest outback conditions found anywhere in the world you can be assured of the higher quality and reliability of the Majestic product.

The Majestic ARM102 Heavy Duty Single Swing ARM Lockable LED TV Wall Mount Bracket comes with a locking pin so that you can lock it in place when travelling and you can also easily remove the TV by releasing the mounting plate from the bracket.
