119773-42600 Impeller

Product price:

£59.89 tax included

Product codes:

Reference: YN119773-42600
EAN13: -
UPC: - MPN: -

Product short description:

The 119773-42600 Impeller is a high-performance marine component designed to enhance your boat's water cooling system efficiently. Ensure reliable engine operation on the water with this precision-engineered impeller crafted from premium materials. Perfect for avid boaters seeking optimal performance and durability.

- Ensures efficient water circulation
- Crafted from premium, corrosion-resistant materials
- Precision-engineered for reliable performance
- Easy installation and low maintenance
- Compatible with a wide range of marine engines
- Designed to withstand harsh marine environments
