**Product short description:**

Professional PMR446 Licence Free Two Way Radio

The IC-F29SR2 is the latest professional Licence Free Two Way Radio from Icom and retains the simplicity functionality and build that made its predecessors so popular. The IC-F29SR2 boasts superior audio quality from the new internal speaker as well as new channels and still features the slim compact body whilst retaining a robust resistant to water and dust IP67 protection rating.

**Replacement model for the F29SR.**
