Product short description:

The Revolutionary Railblaza HEXX Live Pole is designed to make using your live sonar easier than ever. The foldable design allows for easy and hassle-free transportation. In addition the stable and robust HEXX base ensures maximum stability. But that's not all when it comes to convenience - the days of tangled cables are over because the cables fit exactly into the slots provided on the shaft. Get ready to experience fishing with the latest technology - with the Railblaza Hexx Live Pole Transducer.
