UPC: - MPN: STPVF010BP

**Product short description:**

The 10w PV Logic flexi solar panel is great for small power consumption projects as diverse as powering electric fences to keeping the lights on in a trailer tent. The panel delivers a continuous trickle feed maintaining and extending the life of any 12-volt battery and delivers up to 65wh per day. The 10w panel is supplied with a 4m cable connectors fuse and detailed installation instructions.

NOTE – The 10w panel kit does not require a charge controller if the battery to be used is larger than 75Ah.
