Product short description:

Manufactured using the latest solar cell technology to create super efficient power generation the 250wp Mono High Density (MHD) Flexi solar panel is hard wearing and ultra lightweight. It is perfect for energy hungry applications as multiple panels can joined together to create a solar array. The 250w panel is ideal use on a motorhome roof or the cabin of a boat to maximise power output in the space available. Includes 20A Dual Battery PWM Charge Controller
