Product short description:

This 60w PV Logic solar panel roof and deck top kit enables the solar panel to be professionally fitted to the roof of a caravan motorhome yacht or narrow boat. This roof and deck top kit is supplied with a 60w PV Logic solar panel alloy L brackets 10Ah dual battery charge controller 4m cable connectors fuse bonding agent cable feed gland and detailed installation instructions. The 60w PV Logic solar panel is often a standard fit for caravan and campervan manufacturers alike. Delivering up to 390wh per day the panel is suitable for powering most DC and some AC appliances via a separately purchased inverter.
