UPC: - MPN: STP060AT

Product short description:

This version of the 60w PV Logic solar panel is long and narrow and best suited to roofs or deck tops with limited or awkward space. Delivering up to 390wh per day the 60w panel is suitable for powering most DC and some AC appliances via a separately purchased inverter. It is supplied with built in reverse L brackets to ensure the footprint is the smallest it can be.
