Solar Technology 60W Rigid Solar Panel Kit & 10Ah Charge Controller

Product price:

£200.00 tax included

Product codes:

Reference: 751-STP060MA
EAN13: 05060043530013
UPC: - MPN: STP060MA

Product short description:

The 60w PV Logic solar panel if often seen on roads powering illuminated street signage and belisha beacons and is often a standard fit for caravan and campervan manufacturers alike. Delivering up to 390wh per day the 60w panel is suitable for powering most DC and some AC appliances via a separately purchased inverter. The 10Ah (STCC10) Charge controller should be used with this kit to protect the battery from being overcharged and to prevent reverse current drain.
