EAN13: 05060043533168
UPC: - MPN: STPVF080

Product short description:

Delivering up to 520wh per day the PV Logic 80w flexi solar panel can fully charge an 85Ah battery on a sunny day in the UK summer. Perfect for off grid caravans boats motorhomes and a good choice where a smaller amount of power is needed during the dark days of winter. The 80w panel is a standard fit on some motorhomes camper vans and boats. It is supplied with a 4m cable terminals fuse and detailed installation instructions.

NOTE – A charge controller will be needed to protect a battery from reverse feed and overcharging.
