EAN13: 05060043534547
UPC: - MPN: STPVF080MA

Product short description:

Delivering up to 520wh per day the PV Logic 80w flexi solar panel can fully charge an 85Ah battery on a sunny day in the UK summer. Perfect for off grid caravans boats motorhomes and a good choice where a smaller amount of power is needed during the dark days of winter. The 80w panel is a standard fit on some motorhomes camper vans and boats. It is supplied with a 4m cable terminals fuse and detailed installation instructions. The 10Amp Dual Battery Charge Controller is for off-grid solar systems and has the additional functionality that it can charge to batteries simultaneously and can work on both 12v or 24v systems.
