Victron SmartSolar MPPT 100/20 - Up to 48V

Product price:

£103.20 tax included

Product codes:

Reference: 792-SCC110020160R
EAN13: 08719076043027
UPC: - MPN: SCC110020160R

Product short description:

A solar charger gathers energy from your solar panels and stores it in your batteries. Using the latest fastest technology SmartSolar maximises this energy-harvest driving it intelligently to achieve full charge in the shortest possible time. The SmartSolar MPPT 100/20 maintains battery health extending its life.
