Victron SmartSolar MPPT 150/45

Product price:

£252.00 tax included

Product codes:

Reference: 792-SCC115045212
EAN13: 08719076053026
UPC: - MPN: SCC115045212

Product short description:

A solar charger gathers energy from solar panels and stores it in batteries. Using the latest fastest technology SmartSolar maximises this energy-harvest driving it intelligently to achieve full charge in the shortest possible time. SmartSolar maintains battery health extending its life.
