Airmar P79 50/200 In Hull D 600W 2M Cable 5 Pin Female

Product price:

£167.00 tax included

Product codes:

Reference: 032-31234111
EAN13: 801769000146
UPC: - MPN: 31-234-1-11

Product short description:

P79 in-hull transducer easily adjusts to hull dead rise angles up to 22 º. This ensures that the beam is vertically oriented to receive echoes resulting in accurate depth readings.
