Product short description:

Garmin 010-11938-21 B175L 1kW Chirp Ready Thru-Hull Transducer with 8 Pin Garmin Connector

Airmar’s low profile Chirp-ready transducer models are the perfect addition to smaller boats such as center consoles. The low frequency band is the deep water performer delivering excellent coverage and tracking in deeper depths. The B175L transducer delivers up to 20 kHz of total bandwidth in just one installation and delivers tremendous deep water performance.
