Product short description:

This compact combo has lots of built-in benefits. Easy-to-install and even easier to use it has a bright 4.3” display that is easy to read on a sunny day on the water. It features built-in support for Garmin CHIRP traditional sonar that delivers remarkable target separation and CHIRP ClearVü scanning sonar for nearly photographic images of what’s below the boat.

Preloaded with BlueChart g2 charts for the U.K. Ireland and the Northwest mainland Europe coast.
