Raymarine R109 Thru Hull Transducer Depth/Temp

Product price:

£3,950.00 tax included

Product codes:

Reference: 705-A80040
EAN13: 00723193729038
UPC: - MPN: A80040

Product short description:

With 16 internal ceramics the R109 is a powerhouse transducer. The thru-hull design ensure maximum performance by putting nothing between the transducer and the water.
