UPC: - MPN: SC-USB-F3

Product short description:

Flip Pro is designed for use with either a 12V or 24V input and features 2 x 60W USB-C charging ports. It will charge at 36W on a 12V system or up to 60W on a 24V system. This makes it perfect for charging modern laptops and large tablets phones and any other USB-C powered devices onboard.
