Reference: 792-ORI121222110
EAN13: 08719076035237
UPC: - MPN: ORI121222110

Product short description:

Input voltage range: 8-17 V.

Under voltage shut down / restart: 7V / 7.5 V.

Nominal output voltage: 12 2 V.

Output voltage adjust range: 10-15 V.

Output voltage tolerance: +/- 0 2 V.

Output noise: 2 mV rms.

Cont. output current at nominal output voltage and 40°C: 18 A.

Maximum output current (10 s) at nominal output voltage: 25 A.

Short circuit output current: 40 A.

Cont. output power at 25°C / 40°C: 280 W / 220 W.
